

**An opportunity to join Australia's
1 Hit Music station.**

Audio Production

- **Grab this opportunity to get your name on our talent bank**
- **A chance to be part of a highly creative and dynamic team**
- **Fantastic work environment in the heart of the Sydney CBD**

The Production Team at 2day FM – the home of Kyle and Jackie O and Hamish and Andy – wants to build a **talent bank** with the view of filling upcoming roles in the near future.

Have you got what it takes? Here's what we're looking for . . .

- Previous audio production experience, including a solid working knowledge of Pro-Tools, Maestro, Voxpro, Cool-Edit and other production programs
- Highly motivated and enthusiastic individuals willing to go above and beyond their regular duties
- A burning passion for radio broadcasting and a willingness to commit to Austereo's corporate values and culture
- A solid understanding and ability to work in accordance with Commercial Radio Australia's Codes of Practice
- Individuals with outstanding organisational skills who are able to juggle competing priorities in a fast paced environment
- Excellent communication and presentation skills coupled with an ability to deal with staff and clients at all levels

Do you fit the bill? What are you waiting for then? Join our talent bank by sending your résumé, cover letter and a sample of your work in mp3 format (maximum 3 minutes) to **careers@austereo.com.au**, quoting **009-10** in the subject line. If a role comes up and we think you might be a good fit, we'll be in touch!

No telephone enquiries please.

Applications close **end of June 2010**.
