

An opportunity to join Australia's leading radio broadcaster.

## Creative Solutions Manager

- **Come join the winning team at Perth's 92.9 and Mix 94.5!**
- **Fantastic opportunity to showcase your expertise in creative sales**
- **Vibrant culture, iconic brands, highly supportive work environment**

AUSTEREO, one of Australia's most progressive and exciting entertainment based media companies, is looking for an enthusiastic and highly motivated Creative Solutions Manager to join its high performing Integration team in Perth.

Do you find most business presentations boring and uninspiring? We want to change that. We're looking for someone who has the ability to turn a blank page into a backdrop that will inspire our clients and Account Managers, and act as the crescendo on the proposals we produce.

Since Excel and PowerPoint are commonplace in our office, as the successful applicant, you will have a strong understanding of Microsoft Office products. You will be able to translate your Adobe Photoshop creations into useable templates for our Account Management teams.

Amongst the palette of programs you are familiar with, Photoshop is key and much of your role will require work in this application. A familiarity with other programs such as Final Cut will be a bonus as there is room for this role to expand to include production of videos for future proposals and presentations.

Utilising your high level administration skills, you will be able to prioritise and manage deadlines in order to complete the most pressing work efficiently, whilst still producing documents of the highest standard. With two radio stations and nearly 20 Account Managers, there will never be a shortage of opportunities to flex your creative muscles.

Your own sense of drive will stand you in good stead and may well lead to the opportunity to manage others.

Your future will be bright in this varied role, with plenty of room to expand your skill set whilst quenching your thirst for creativity.

**Interested? Please send your résumé and cover letter (with salary expectations) to [careers@austereo.com.au](mailto:careers@austereo.com.au) quoting "080-10" in the subject line ("Internal 080-10" if you are a current employee). We look forward to receiving your application.**

**Applications close: Friday, 30 July 2010.**

Austereo reserves the right to commence recruitment activities prior to the stated closing date.
